Selected Bibliography (ACWADAM)

- **ACWADAM, 1999.** *Geology and Watershed Development : Land and Water - a fundamental introduction (in Marathi). Workshop on Water Resources (with special thrust on the problems of the Konkan region), Narayan Ashram, Koloshi, Sindhudurg dist., Maharashtra. (Prepared by Himanshu Kulkarni).*
- Kale, V. S., Kulkarni, H. and Peshwa, V. V. 1999. *Contour mapping in Koloshi area - a baseline exercise for planning the watershed development programme under the "Adarsh Gaon Yojana". Report submitted to Society for Peoples Participation in Ecosystem Development (SOPPECOM). ACWADAM Tech. Report 97/12/R-1.*
- **ACWADAM, 1999.** *Geology and Watershed Development : Land and Water - a fundamental introduction (in Marathi). Workshop on Water Resources (with special thrust on the problems of the Konkan region), Narayan Ashram, Koloshi, Sindhudurg dist., Maharashtra.*
- **ACWADAM.** 1999 *Hydrogeological mapping of Gordhanpura – Gokalpura watershed project area, Hindoli tehsil, Bundi district, Rajasthan (a rapid*

- appraisal based on Remote Sensing). Report submitted to BAIF Development Research Foundation, Pune. ACWADAM Tech. Report 99/H-2.
- **ACWADAM.** 1999 Geological and hydrogeological mapping of Shivare–Varve watersheds: Geofeasibility Assessment for Implementation of Watershed Development and Management using Remote Sensing Data. Report submitted to GOMUKH, Pune. ACWADAM Tech. Report 99/H-3.
 - **ACWADAM.** 2000. Development of a sustainable groundwater management system : hydrogeological mapping of Neemkheda watershed, Bagli tehsil, Dewas district, M.P. Annual Progress Report submitted to Samaj Pragati Sahayog for Dept. of Science and Technology project "Food security in the tribal drylands of India through appropriate technology, development and empowerment. 16p.
 - **ACWADAM.** 2000. Rapid hydrogeological appraisal of Hindalco Industries Limited, Khutli village, Khanvel, Silvassa : hydrogeological mapping, resistivity survey and well tests leading to designing of appropriate pumping systems and recommendations for systematic groundwater management. ACWADAM Tech. Report ACWA/Y2K/H-1.
 - **ACWADAM.** 2000. Thematic mapping of Kelghar – Ranjanpada watershed, Jawhar taluka, Thane district, Maharashtra, using Remote Sensing and Geographical Information System (GIS) : with special emphasis on geological and hydrogeological perspectives. Report submitted to BAIF Development Research Foundation, Pune. ACWADAM Tech. Report Y2K/H-2.
 - **ACWADAM.** 2000. Strategy for watershed development and management - Optimizing recharge and water management in the Kavalratti–Salparahalli microwatershed, Arsikere taluk, Hassan district, Karnataka : Based on rapid geohydrogeological mapping using remote sensing data. Report submitted to BAIF Development Research Foundation, Pune. ACWADAM Tech. Report Y2K/H-3.
 - **ACWADAM.** 2000. Thematic mapping of Adihalli – Mylanhalli watersshed, Arsikere taluk, Hassan district, Karnataka, using Remote Sensing and GIS : With special emphasis on geohydrological studies. Report submitted to BAIF Development Research Foundation, Pune. ACWADAM Tech. Report Y2K/H-1.
 - **ACWADAM.** 2001. Hydrogeological study of St. Peter’s School Campus, Panchgani, Satara district, Maharashtra : Hydrogeological mapping, resistivity survey and well tests, leading to planning of sustainable groundwater management. Report submitted to St. Peter’s School Panchgani. ACWADAM Tech. Report 2001/H-2
 - **ACWADAM.** 2001. Soil investigations for St. Peter’s School Campus, Panchgani, Satara district, Maharashtra : as input to planning layout for sports’ ground and athletic track. Report submitted to St. Peter’s School Panchgani. ACWADAM Tech. Report 2001/H-2.
 - **ACWADAM.** 2001. Thematic mapping of ravine lands in the Karaondia – Sengur – Yamuna confluence system, Bhognipur tehsil, Kanpur (Dehat) district, Uttar Pradesh, using Remote Sensing and GIS : With special emphasis on geohydrological studies. Report submitted to BAIF Development Research Foundation, Pune. ACWADAM Tech. Report 2001/H-3.
 - **ACWADAM.** 2001. Hydrogeological studies leading to groundwater resources development and management with main emphasis on deepening and sinking of large diameter open dug wells : As part of the CAPART (Govt. of India) funded "Drought Proofing" programme in several villages in the Narmada Valley, Udainagar tehsil, Dewas district, Madhya Pradesh. Report submitted to Samaj Pragati Sahayog, Bagli. ACWADAM Tech. Report 2001/H-4

- **ACWADAM.** 2001. *Development of a sustainable groundwater management system based on hydrogeological studies in Neemkheda watershed, Bagli tehsil, Dewas district, Madhya Pradesh. Report submitted to Samaj Pragati Sahayog, Bagli as part input to DST funded project "Towards Sustainable Livelihood Security in Tribal Drylands through Watershed Development and Empowerment. ACWADAM Research Report*
- **ACWADAM.** 2001. *Groundwater management initiatives through the Community Based Natural Resources (CBNRM) approach : based on a hydrogeological study with AKF partners. Report submitted to Aga Khan Foundation (India), New Delhi. ACWADAM Tech. Report ACWA/2001/H-5.*
- **BAIF.** 2001. *Integration of drinking water supply and sanitation and watershed development : a research study covering seven microwatersheds from five states of India for NRI – DFID. BAIF Development Research Foundation (ACWADAM was a part of this study published for DFID by BAIF).*
- **ACWADAM.** 2001. *Groundwater resources development and management for Hindalco Industries Limited, Silvassa. Report submitted to Hindalco Industries Limited, Silvassa. ACWADAM Tech. Report ACWA/2002/H-1.*
- *Second Rural Water Supply and Sanitation Project : Sector Status Study, Final Report. As part of ACWADAM's assignment on the Scot Wilson Kirkpatrick (India) Team. For Government of Maharashtra, 2002, 190p.*
- *Training material on Source sustainability and artificial recharge (in Marathi). For Capacity Building Exercise under World Bank Project in Dhule and Amravati districts; under Mahapani consortium being co-ordinated by Scot Wilson Kirkpatrick (India); for Govt. of Maharashtra.*
- **ACWADAM.** 2003. *Augmenting Groundwater Resources by Artificial Recharge: Inception report for the research site at Kolwan valley, Pune district, Maharashtra. 52 p. Posted on DFID-AGRAR website.*
- **ACWADAM.** 2005. *Augmenting Groundwater Resources by Artificial Recharge: Final report for the research site at Kolwan valley, Pune district, Maharashtra. In press (about 225 p).*
- **ACWADAM.** 2005. *Study of Pondhe watershed, Purandar taluka, Pune district, Maharashtra. ACWA Tech. Report ACWA/2005/H-1, 24p.*
- **ACWADAM.** 2005. *A rapid hydrogeological study of part of eastern Purandar taluka, Pune district, Maharashtra . ACWA Tech. Report ACWA/2005/H-2, 37p.*
- **ACWADAM.** 2005. *A rapid geohydrological study of microwatersheds from Bolangir district, Orissa state. ACWA Tech. Report ACWA/2005/H-3, 34p.*
- **Kulkarni, H., Badarayani, U, Phadnis, V. and Robb, R.** 2005. *Detailed case study of Kolwan valley, Mulshi taluka, Pune district, Maharashtra. AGRAR Project, Final Case Study Report by ACWADAM.*
