Telephone:  Fax:

Mobile:  Email:

#### 4. Format for sending the initiative

a. A brief description of initiative (not exceeding 10 pages) covering the following

- (1) Background (2) Situation prior to the initiative (3) Objectives and aims
- (4) Strategies adopted and implementation process
- (5) Situation after implementation of initiative (6) Outputs and outcomes
- (7) Sustainability (8) Potential for replication

b. Supporting evidence

Analysis, newspaper clippings, photographs, feedback and appreciation letters, video/audio clippings, reports, etc.

Notes: 1. It is strongly recommended that nominating organizations should support their initiatives with detailed quantitative/qualitative data (e.g. precise and measurable output and outcomes).

2. The primary focus of the National Urban Water Awards will be on the initiatives rather than on the reports. Nominations with incomplete data, descriptions and those not supported by analysis or documentation will not be considered.
