FOREWORD

Statistical time series data including present status provides valuable inputs to performance, achievements, success and pitfalls. The inferences form basis of strategy for the organization.

The PPME wing has fulfilled the task of bringing out the “Gujarat Forest Statistics 2010-11” in time . I appreciate the efforts made by the PPME Wing, in overcoming the backlog in the publication of this document.

I also compliment the PPME wing led by Shri Anil Johri, A.P.C.C.F. PPME, who could guide Shri B.R. Raval. Dy.C.F. PPME, Shri D.H. Parmar, Dy. Director (Statistics) and other staff members for successfully publishing this compilation.

PREFACE

This document has attempted to compile most of the major statistical facts about various aspects of Gujarat Forest including the Wildlife as well. The credibility of this document largely depends upon the veracity of the figures, sent to the PPME Wing from various sectors of the Forest Department.

Besides statistical information on the Forest and Wildlife, this Gujarat Forest Statistics Report 2010-11, also contains details of the out turn of the Major & Minor Forest produce, achievements under different Annual Action Plans, WL Sanctuaries & National Parks, Staff Organization, Revenue & Expenditure, as well as many more relevant topics.

The effort to produce a “Read Only “, electronic version, of this and previous reports,(with hyper links to the Departmental website) is on, and very soon the websites shall be announcing the same.

I am really thankful to the staff of the PPME Cell comprising of the Statistical Cell headed by the Deputy Director and the DCF, PPME, along with their other members, for being helpful dimension, of this publication.
