

CONNECT INNOVATE LEARN SERVE INSPIRE EMPOWER

Your journey starts here.

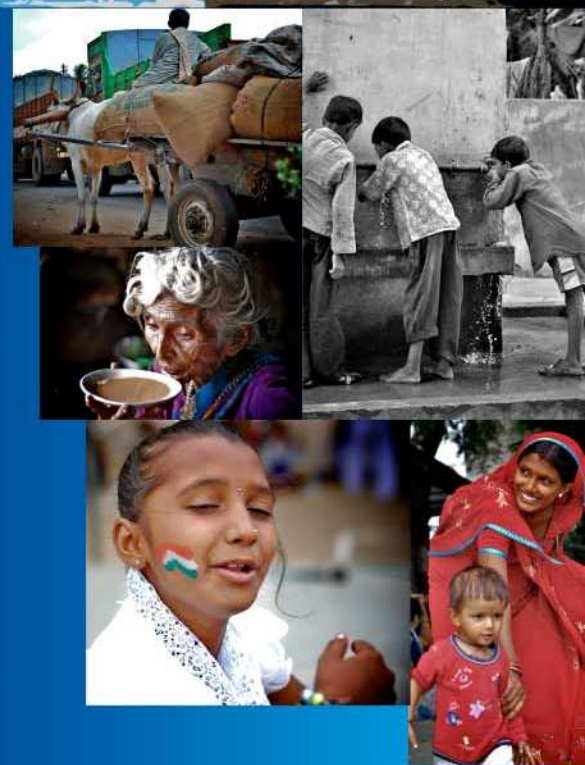

Indicorps offers prestigious public service fellowships with high-impact grassroots organizations across India. Over a period of 1 or 2 years, you will implement sustainable development projects to address the pressing needs of your local community. As a total-immersion leadership program, Indicorps will encourage you to explore your role as a catalyst for change and transform your understanding of international development, India, service and self.

The Fellowship program includes:

- Intensive one-month orientation and bi-monthly workshops
- Unparalleled personal and project support
- Access to a broad network of inspiring changemakers
- Food, housing and basic stipend

Environment | Education | Youth Development | Microfinance
Sanitation | Women's Empowerment | Health | Livelihoods
