

# BIODIVERSITY ASIA 2012

Society for Conservation Biology

SCIENCE POLICY GOVERNANCE

The 2nd Asia Regional Conference of the Society for Conservation Biology

7-10 August 2012, Bangalore, India

Biodiversity Asia 2012 is an international conference that aims to highlight the urgency of biodiversity conservation in Asia and showcase the advances made in research and conservation of Asia's rich biodiversity. It is being organised ahead of the 11th Conference of the Parties (CoP) of the UN Convention on Biological Diversity (CBD) to be held in India in October 2012 and will bring together researchers, policy makers, students, teachers, practitioners, NGOs and others working towards the conservation of Asia's biodiversity.
