and submit your abstract online!

## SUBMIT YOUR ABSTRACT

The Council is now accepting paper abstracts for the Aquatech India Conference. Conference speakers have the opportunity to gain professional recognition. Exchange knowledge and share ideas with a high profile audience of influential professionals from India's fast expanding water sector.

## Aquatech India exhibition & conference

As a one-of-a-kind international, high quality water technology exhibition & conference, Aquatech serves the complete Indian water sector. Aquatech India provides a platform to raise awareness of water supply and waste water treatment problems in India. This is done through promoting international cooperation in seeking solutions for problems by providing a communication platform, and by organising technology and academic exchange programs.

## Facts & Figures of 2013

In 2013 Aquatech India hosted:

- 125 exhibitors from countries all over the world presenting their latest innovations.
- Over 5000 Indian and international water professionals visiting the tradeshow floor.
- A unique mix of municipal as well as industrial water professionals.
- The latest innovative technologies in process, drinking and waste water sectors.
- A majority of visitors with decision making capacities.
- A high level conference attracted more than 350 delegates Utility Leaders Forum brought together over 90 CEOs from Indian Water Utility boards.

Supported by the Ministry of Urban Development, International Water Association (IWA), Indian Water Works Association (IWWA) and the Consults/ Commercial Services/Chamber of commerce of several countries

3. Complete the required fields
4. Press SUBMIT
5. Your abstract has been submitted
6. Please submit your abstract ONLY ONCE & wait for the automatic e-mail that confirms your registration

## The Industrial Leaders Forum (ILF)

Water scarcity has become one of the most pressing global development challenges of the 21st century. Both physical and economic water scarcity leads to negative outcomes related to health, agricultural productivity and growth of the commercial and industrial sectors. We believe that leaders in the water and industrial sectors should join forces to solve these challenges. Therefore, at Aquatech we put the spotlight on industrial water use! At Aquatech Amsterdam the ILF panel included Coca-Cola, PwC, Shell, Rabobank, Amiad, Pentair and many more.

Are you interested in joining the ILF panel in India please contact **Annelies Schenk (Project Head Aquatech)** [a.schenk@rai.nl](mailto:a.schenk@rai.nl) or +31(0)613310385

Should you need further assistance with submitting your abstract, please e-mail: [Aarti@interadsindia.com](mailto:Aarti@interadsindia.com)
